

Life Education Wessex has teamed up with the Cambridgeshire PSHE Service to support schools with the delivery of high quality RSE, using their comprehensive resource hub.

The **"Hub"** is an interactive IT-based resource which includes:

- ⇒ Detailed units of work
- ⇒ Lesson plans and teaching resources
- ⇒ Guidance on creating an RSE policy
- ⇒ Guidance and resources for working with staff, parents and governors

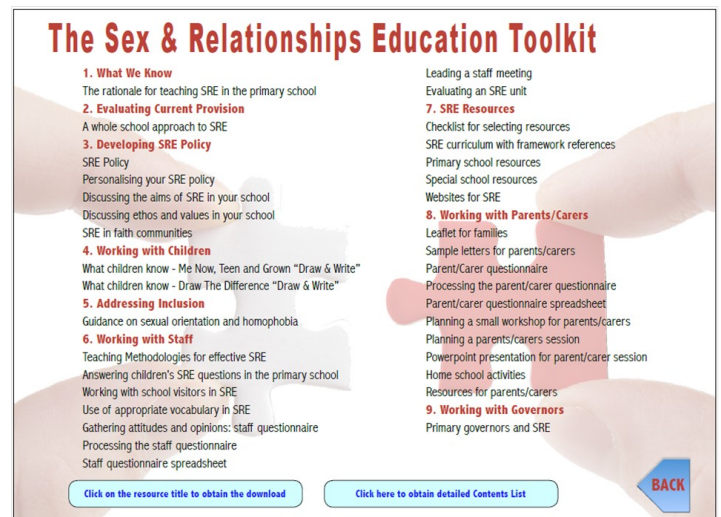

The screenshot shows the 'Life Education Wessex Sex & Relationships Education Resources' website. It features three main sections: 'Entitlement Frameworks', 'Teaching Resources - Units of Work', and 'SRE Toolkit'. Each section has a 'Click Here' button. Below these is an 'Additional Information' section with four links for further support. A 'QUIT' button is visible at the bottom.

We can:

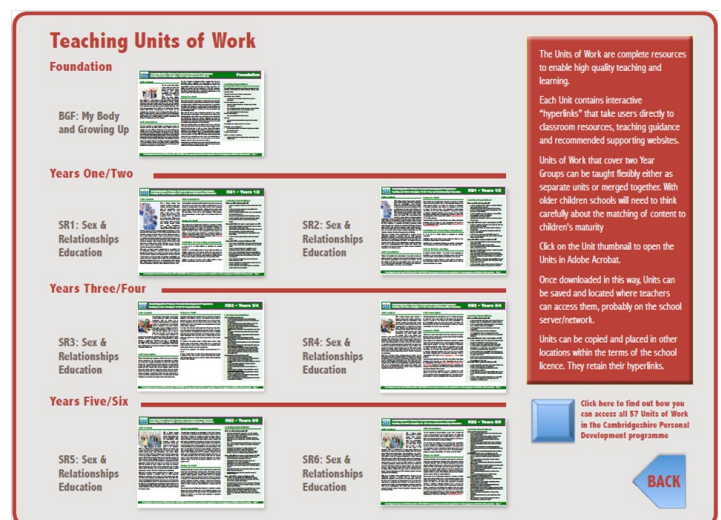

- ⇒ Plan and deliver needs-led RSE lessons for pupils in Years 5 & 6, based in school classrooms
- ⇒ Work with parents/governors to explain the progressive model of RSE in schools
- ⇒ Work with staff on needs-led training, exploring aspects of the whole school approach to RSE

The RSE Toolkit:

The screenshot shows the 'The Sex & Relationships Education Toolkit' page. It lists 9 sections: 1. What We Know, 2. Evaluating Current Provision, 3. Developing SRE Policy, 4. Working with Children, 5. Addressing Inclusion, 6. Working with Staff, 7. SRE Resources, 8. Working with Parents/Carers, and 9. Working with Governors. Each section has a brief description of its contents. There are 'Click on the resource title to obtain the download' and 'Click here to obtain detailed Contents List' buttons, along with a 'BACK' button.

There are detailed **RSE Units of Work** for each year group:

The screenshot shows the 'Teaching Units of Work' page. It displays a grid of units for different year groups: Foundation, Years One/Two, Years Three/Four, and Years Five/Six. Each unit is represented by a thumbnail image. A red box on the right provides detailed information about the units, including that they are complete resources, contain interactive 'hyperlinks', and can be saved and accessed on a school server. There is a 'Click here to find out how you can access all 17 Units of Work in the Cambridgeshire Personal Development programme' link and a 'BACK' button.

Cost on application according to requirements.
